12<sup>th</sup> November 2021

Dear Parent/Carer,

In order to fully prepare our students for the rigour and challenges of the exam period, we will be running two sets of mock examinations. The first set of mock examinations will take place 15<sup>th</sup> – 26<sup>th</sup> November 2021, the second set of mock examinations will take place during March 2022.

Enclosed with this letter is a timetable for the mock examinations. When students are not sitting examinations, they will be in lessons. Students will begin and end College at the usual times and full uniform will be required for all examinations. Under no circumstances should mobile phones, iPods, MP3/4 Players, air pods or watches of any description be taken into the examination hall. Full details of exam regulations can be found on our website.

Please impress upon your child how important these mock examinations are. They are not only a chance to practise undertaking public examinations in the conditions required for formal assessments, but they will give a very clear indication to students and teachers as to what grades could be achieved in the Summer Examinations.

The results of these mock examinations will be issued during our next Parents Evening.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Ms J. Kler'.

Ms J. Kler
