**RE: Outcome of Waverley Studio College Inspection**

Dear Parent/Carers,

Following the Section 8 Ofsted Inspection held at Waverley Studio College on Thursday 22<sup>nd</sup> and Friday 23<sup>rd</sup> September, I'm delighted to say Waverley Studio College is a **GOOD** school.

As Principal of the College, I'm incredibly proud of all of the staff and students for their continued hard work and the commitment they demonstrate each day as part of our community.

Some of the highlights from the inspection include:

- Pupils enjoy coming to school. They take part in lessons enthusiastically.
- Pupils behave well in lessons and around school. They get on well together.
- Leaders have designed an ambitious curriculum
- Teaching supports the intended curriculum well through teachers' good subject knowledge.
- Pupils show respect for others, including those from different backgrounds.
- Leaders prepare pupils well for the world of work.
- Leaders ensure that pupils know how to keep themselves safe.

May I also take this opportunity to thank parents for their continued support of the College and hope to grow from strength to strength in the future.

Warm Regards,

*M Morton-Hire*
