Dear Parents/Carers,

As we reach the end of term I would like to thank you for your continued support whilst your child attends Waverley Studio College.

Easter Intervention

Year 11 students will be invited in to school next week for targeted intervention to support either coursework completion or preparation for exams. There are only 21 school days left until the start of the exam period. Teachers have been working tirelessly to prepare students for these exams and it is crucial students continue with their revision/preparation during the easter break. Please continue to support them during their preparation for this.
