Dear Parents and Carers,

Re: Building an alumni community to inspire our students

We are delighted to inform you that Waverley Studio College is working with the education charity Future First to build a thriving alumni community. Amongst our former students are a whole host of talented role models who we want to connect with to celebrate their success and inspire our current students. Our former students (our alumni) can return to offer careers and education advice, mentor students, provide work experience placements, hold celebratory events for past leavers and much more besides.

We need you

Please help us reach out to our former students using your own networks. From doctors to dancers, pilots to plumbers, we need alumni from a range of careers to open our students' eyes to what is possible.

What to do next?

If you are a former student or know any who would like to stay in touch and give back to their old school, please ask them to sign up to our alumni network at:
<https://www.futurefirsthub.org/register/waverley-studio-college>

With your help we hope to contact as many former students as possible to again be part of our Waverley Studio College Family and support the school moving forward.

Yours sincerely,
