Dear Parent/Carer,

RE: Changes to timings of the day

After speaking with staff and students, and careful deliberation, we as a college have decided to remove the afternoon break that was trialled earlier this year. Students and staff agree that, on reflection, an earlier finish is preferable to this arbitrary break in learning. As a result of moving the afternoon break, **students will now be dismissed 15 minutes earlier than it currently stands.**

As of the 1st June, the end of day timings will be as below:

Monday and Tuesday: 3:10pm

Wednesday, Thursday and Friday: 2:30pm

This will be in place for the final summer half-term only (until the end of the academic year). From September, we will be aligning our school day with the other schools in our Trust. I will write to you again to confirm these final timings later in the year.

Should you have any questions or concerns regarding this, please feel free to contact the college. Thank you for your continued support.

Yours faithfully
